## WHEELER WANTS GIN.

Special Correspondence.

Wheeler, L. T., Aug. 22.—The farmers here are badly disappointed at the failure of the Wheeler gin's erection. All the lumber is on the ground and the dam has been built to catch the water. If an enterprising man should take the matter up and push it to completion at once, he could gin not less than 1,000 bales this season. The people have put the roads in excellent condition for miles around in anticipation of hauling their crop here to be gined. It is a fine opening for a first class gin without a doubt, as this is one of the finest cotton-raising communities in the Chickasaw Nation, not to mention the increased acreage for this year and the unusually fine prospect for a heavy yield.

Even at this late hour we hope some good man will undertake the building of a gin here and he may be assured of the co-operation of the farmers all round.

## Taken With Cramps.

Wm. Kirmse, a member of the bridge gang working near Littleport, was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was as severe that he had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicines.—Elkader, Iowa, Argus.

This remedy never fails. Keep it in your home. It may save life. For sale by F. J. Ramsey, Ardmore Drug Co., W. B. Frame.

I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success. Bonner & Bonner.
